

Pray for the Nations

APRIL 2021
Weekly Prayer Calendar
Week 1

CCF Beyond

Pray for an effective Go Viral facilitators training and booster workshop that will be held all throughout the month of April. Pray that a new batch of committed and passionate coaches will be raised up for the planned training cycles around the world.

Pray for Ptr Jim Whelchel, Ptr Wilson Gonzales, and the team, as they spearhead the Go Viral Training and Workshops. Pray for renewed strength, protection, and covering.

East Asia

Pray for a meaningful and inspiring IDC 2021 conference re-run which will be held with leaders from East Asia. Also, pray that the audience will catch the vision and importance of discipleship so that each one will be disciplined and be a discipler in order to guide one another for the glory of God's kingdom.

CCF New Zealand

Pray for the effective implementation of “Intentional Discipleship Filled with True Accountability,” in New Zealand, that it will help every person evaluate themselves if they are growing in Christ-likeness. Also, pray for the GLC Online Classes set to begin this April. May it be successful in equipping every member of the church through GLC 1, 2, or 3.

South Asia

Please pray for our partners in South Asia. A person is threatening to report false information to the government about the nature of their ministry. It could be damaging even if it is not true, especially if it were to be reported in media. Please pray for spiritual protection and continued blessing from the Lord of their work.

CCF Ottawa, Canada

In Ottawa, pray for leaders and members whose livelihood have been negatively affected by the ongoing pandemic, some of whom have taken temporary means of livelihood to meet their financial obligations. As members engage in the intentional discipleship, starting with their families, may the small groups thrive and multiply.
