

Pray for the Nations

APRIL 2021

Weekly Prayer Calendar

Week 3

Himalayas

Praise God for the Himalayas Fellowship Retreat which was a good time for Church members to be strengthened and refreshed spiritually.

Pray for healing for Phurpu, missionary partner in the Himalayas, who has been suffering from fever, headache, runny nose, and pain from an extracted tooth; also, his wife, Maya, who has a combination of cold and flu in addition to having no voice. May they fully recover soon.

At the end of April, there will be a Missions trip to Dolpa. It is a 13-day hike to their target communities, remote areas where there are few places to stay. The missionaries will need to find a cave to stay in while also carrying dry food that will be good for 2 days. Pray that the Lord will provide for and protect them through the entire journey.

Vietnam

We thank God for His continued blessing over Vietnam. The spread of the Covid-19 virus in the country has been under control. And the MC² (Go Viral) training in Quang Nai held this April is already being applied by the leaders who attended.

Pray for the success of three other MC² (Go Viral) Training slated for this month in different parts of Vietnam. May the leaders and trainers be under God's protection during their travels and the training itself.

CCF Qatar

Pray for the relaunching of CCF Qatar's Go Viral Campaign and for church members to be equipped, be able to reach out, and expand their discipleship on sharing the Good News of salvation.

For the NxtGen ministry, may the children who will be moving up continue to seek God's wisdom and guidance.

CCF Qatar 2

We are grateful to our Father for the protection He has placed upon CCF Qatar 2. In spite of the Covid-19 pandemic, the church has been holding face-to-face services since November 2020 and connecting people to the Lord. During this period there has been no incident of infection in the place of worship. Offer prayers for all Dgroup Leaders and members to continue to live lives that are committed to Christ. May they all participate in the upcoming Go Viral Phase 2. Pray also for their safety as a number of people tested positive in various workplaces.

CCF Toronto North

Please pray for the participants of Toronto North's Go Viral Phase 1, that they will commit themselves wholeheartedly to apply the training. May they be able to apply the process they learned, diligently reach out to people, and quickly form new groups.

For the Go Viral Phase 2 participants, pray that they will complete the training sessions, apply the process, and disciple more people in their respective groups.

In addition, please lift up Toronto North in prayer as they celebrate their 5th year Anniversary. Pray that the service will be fruitful and that many visitors will attend through zoom.
