

# Pray for the Nations

**APRIL 2021**  
Weekly Prayer Calendar  
Week 4

# South Asia

The COVID-19 cases in South Asia are increasing drastically everyday. Hospitals are running out of beds and oxygen facilities. There are now 125 missionaries across South Asia with COVID, and many are in the ICU.

Pray specifically for one of our missionary partners & his family's exposure to COVID-19. Pray also for the family of another missionary partner who have contracted the virus (sister-in-law and 14 yr. old niece).

Pray for health and strength, that their bodies will be able to fight off any potential infection and supernatural peace in the midst of difficulties.

## **CCF Hamburg, Germany**

For CCF Hamburg, pray for more volunteers to come forward for various ministries who are faithful, available, and teachable. May every member of the church be convicted to be a disciple.

On April 30, 2021, Go Viral with German translation will be launched. Pray for wisdom, joy, and unity in spirit for the translation team. May the goal to reach out and share the good news with the Germans be a success. Pray also that God will send workers for the Go Viral English implementation team.

We give Praise to our God for the new set of ministry leaders who will be shepherding CCF Vancouver over the coming year. May the ongoing short series of prayer meetings, happening every first Wednesday of the month until June, for the Lord to use those gatherings to unite the church and strengthen corporate prayer life. As COVID-19 restrictions ease in Vancouver, pray for wisdom and guidance for the church leaders as they continue to look for a building. May the good Lord continue to raise up volunteers who can serve His church. For the present members of the local body, pray for their unity and humility.

## **CCF Kuwait**

Thank you for praying for Glenn, CCF Kuwait leader, and his son, Uzziel. They are now both out of danger. The doctors said that Uzziel had a slim chance of survival because he was thrown out of the window during the car crash, but this was reverted by our Lord Jesus that even the Doctors were amazed by the outcome of the surgery.

Do continue to pray for the family's adjustment as they go out of the hospital.
