

SPORTSHIP (SPORTS FELLOWSHIP) DGROUP IMPLEMENTATION GUIDELINES

Ready to reach more students for Christ through sports? It's super easy! The Sportship Dgroup Project resources are designed to help you engage people through sports, building relationships and opening opportunities to share the Gospel and lead them on a discipleship journey in a simple and fun way.

1. Prepare

Everything you need to conduct sportship is ready for you! Just click the link <https://tinyurl.com/Sportship-Materials> to access the resources— it's **completely free!**

2. Pray

PRAY and ask the Holy Spirit to guide and empower you.

3. Program Flow

The event starts with **registration**, followed by a short **opening prayer and a welcome talk** to set the stage for the day. Participants will then jump into the **first half of play**, starting with some warm-ups to get everyone ready. During the **half-time break**, participants will gather for a **devotional and breakout discussion** to share some encouragement and bond together. Participants then, get back to the **second half of play** before finishing the day with **final reminders and a closing prayer**.

Note: Follow through activities like Real Talk and 4WS (<https://www.ccf.org.ph/4ws/>) in a small group setting can be done after the event.

4. Protected Content

We trust that you will not alter any of the content found in these resources! To avoid copyright infringement, please do not edit or replace content, logos, titles, cover page, etc. of the resources.

5. Reporting

Dgroups who will implement the project may upload the results of the project to this link <https://bit.ly/dproject-monitor>.

For any concerns or inquiries about the project, please send us an email at elevatedgroupproject@ccf.org.ph We pray that through this project, we will reach more and more people for Christ!
