GUIDELINES

Ready to Reach More People for Christ?

Making disciples has never been easier! The Dgroup Project Resources are designed to help you conduct evangelistic and discipleship events in a simple, engaging, and effective way.

The **Evangelifestyle Workshop** is more than a training session—**it is a call to action**. Its purpose is to mobilize every DGroup member to confidently share the gospel and intentionally live out an Evangelifestyle.

Participants are equipped to practice Pray, Care, Share, share their personal testimony, and engage in meaningful gospel conversations. This workshop prepares participants to confidently share the gospel during field deployment and as they implement their DGroup Project campaigns.

Whether you're reaching out to friends, family, neighbors, or your community, these resources will equip you and your DGroup to confidently share the gospel and lead evangelistic and discipleship events.

1. Prepare

Everything you need for your Evangelifestyle Workshop is ready. Scan the QR code or access the CCF App (for registered DGroup Leaders) to download the complete Evangelifestyle Kit, which includes the Plug-and-Play Video, Participant Handout, and Program Guide.

2. Pray, Plug, and Play

Before you begin, pray and ask the Holy Spirit to prepare every heart and guide your time together. Simply play the Evangelifestyle teaching video while participants follow along using the Participant Handout. After the video, facilitate the discussion using the questions provided in the handout.

3. Follow the Recommended Program Flow

Follow the suggested program flow and allow enough time for discussion, reflection, and prayer.

4. Protect the Resources

These materials have been prayerfully developed to support disciple-making. Please do not modify, reproduce, or distribute the videos, handouts, branding, or other copyrighted materials without permission.

5. Mobilization

The workshop is only the beginning. Put the training into practice through actual gospel conversations. Challenge every participant—including yourself—to intentionally share the gospel during your **field deployment** and as you **implement your DGroup Project**.

6. Submit Your Report

IMPLEMENTATION GUIDE & PROGRAM FLOW

To help us track the impact of your gospel-sharing efforts, we encourage you to report the number of people you shared the gospel with through the **"GospelShare"** banner in the **CCF App**. In addition, to help us celebrate what God is doing and continue improving the ministry, all **DGroups** implementing the **DGroup Project** are requested to submit their reports through the online monitoring form: <https://bit.ly/dproject-monitor>

Thank you for partnering with us in making disciples. We pray that God will use these resources to reach more people for Christ and help them grow into committed followers of Jesus.
